

PAVE System's Proud Sponsorship of Panasonic 103" Full HD Plasma in "The Hossan Leong Show!"

Watch out Jay Len! Step aside Ellen! Oprah who? Presented by Dream TV, Hossan Leong, Singapore's very own funny boy, returned to the stage with his very own "TV" talk show on stage. Directed by Selena Tan, written by Ben "Mr. Miyagi" Lee and music direction by Elaine Chan, the show ran from 1st October to 11th October 2009 at the Drama Centre, Theatre.

A magnificent TV screen was made possible on stage with the use of a 103" Full HD Panasonic Professional Plasma, courtesy of PAVE System Pte Ltd. As the official TV sponsor for the show, Mr. Jeffrey Lim, Managing Director of PAVE System Pte Ltd held an elegant private cocktail reception for major clients and exclusive guests prior to the show on 9th October 2009.

The show had audiences laughing away as Hossan, an all-singing comedian injected his wit and musical talents into current affairs, so that we were all able to be "AWARE" of the happenings on our little but complex island of Singapore.

Hossan Leong presented a show that blew the audience and their worries away. Indeed, the all smiling guests after the show said everything! www.pave.com.sg
