Networking	Wi-Fi, Ethernet	Wi-Fi, Ethernet	Wi-Fi, Ethernet	Wi-Fi, Ethernet
Operating temperature	32 ~ 104° F 0 ~ 40° C	-4 ~ 122° F -20 ~ 50° C	-4 ~ 122° F -20 ~ 50° C	-4 ~ 122° F -20 ~ 50° C
Meeting Room Management

Integration with both Google Calendar and Syllabus Plus was a crucial factor in Monash University's decision to go with IAdea and Melbourne-based software partner, Concierge. Monash is already looking to the future for how in-house data can be used to improve the efficient utilization of its rooms. More meeting room projects from IAdea to come – stay tuned on our website.
Video Wall for Retail

Models Own, a cosmetics brand that was originally founded in 2008, wanted to enhance its retail presence and grow its market share by opening a flagship store by utilizing the benefits of digital signage and video walls, such as great visual impact. IAdea and UK-based software partner Signagelive delivered and now the content looks spectacular.

Menu Board

Japanese sushi and bento restaurant chain, Wasabi, has digitalised its menu boards across seven of its London locations. Signagelive is used across the system to standardise the content control and enable remote updates. The system is synchronized via IAdea XMP-7300 media players with AnyTiles solution, which supports 4K content and mounted using B-Tech brackets.

Transportation

Envisioning a future where intelligent transportation platforms are abundant. High-quality digital signage solutions that broadcast dynamic contents are required for a satisfying passenger commute experience.

Retail

A vibrant and engaging retail customer experience is the #1 priority for all retail businesses. From our smallest countertop displays to robust 4K players, IAdea creates a digital customer journey through your store.

Lift n' Learn for Retail

Dermalogica UK adds Lift and Learn to in-store digital to enhance customer engagement, deploying solutions from IAdea and Signagelive. Dermalogica now owns an easy, reliable means to centrally manage its countrywide digital signage network, comprising multiple displays types, sizes and orientations. IAdea Lift n' Learn is extremely popular with retailers all over the world.

To Market, To Market!

Specialty Displays for MagicINFO by IAdea

10", 15", 22" all-in-one displays supporting MagicINFO

IAdea delivers a full range of integrated displays to complement the standard public display sizes. These smart all-in-one signboards complete the range of display sizes needed for digital signage projects IAdea partners with Samsung to make MagicINFO, a simple yet powerful content management software, available across display sizes not offered by Samsung.

powered by MagicINFO

IAdeaCare

A device intelligence and management service that helps ensure digital signage deployment runs reliably as planned. IAdeaCare enables prevention of device failure with data-driven predictive maintenance, which is designed to help determine the condition of in-service equipment in order to proactively perform maintenance.

AnyTiles™

Utilize any number of screens running on supported IAdea media players to create magnificent and immersive experiences. This award winning technology is great for corporate lobbies, retail flagship stores, and branding events.

SignApps EXPRESS

Get started with this bundled software utility to quickly spin up a proof-of-concept demo and take full advantage of features available on IAdea's hardware. The cloud option provides a simple content distribution solution to enable you to grow your deployment from 1 to 100 in record time.

XWS-3785
1) 37" 1920 x 540 LCD wide aspect ratio
2) High brightness (700 nits)
3) 178/178 wide view angle IPS panel
4) Ethernet Giga LAN, wireless 802.11b/g/n

XWS-2885
1) 28" 1920 x 360 LCD wide aspect ratio
2) High brightness (700 nits)
3) 178/178 wide-view angle IPS panel
4) Ethernet Giga LAN, wireless 802.11b/g/n

XWS-2185
1) 21" 1920 x 132 LCD wide aspect ratio
2) 178/178 wide view angle IPS panel
3) 10/100 Ethernet, wireless 802.11b/g/n
4) Perfect choice for on-shelf price tag & advertising

IAdea Media Players and Accessories

XMP-7300
The one and only True 4K
1) HDMI 2.0 certified
2) Supports 4K @ 60 fps
3) Wide temperature operation (-20 ~ 50° C)
4) True 4K playback for video / image / HTML5
5) Supports AnyTiles video wall controller engine
6) Gigabite Ethernet, wireless 802.11b/g/n

XMP-6400
The engine that powers your most unforgettable visual experience
1) HDCP 1.4 certified, FHD @ 1080p
2) Wide temperature operation (-20 ~ 50° C)
3) VGA and RS-232 for extra applications
4) HDMI-input source for live media
5) Ethernet 10/100 BASE-T, wireless 802.11b/g/n

XMP-6250
Your must have player: mainsteam and ready to go!
1) Packed with all mainstream, standard features
2) Solid state with full HD @ 1080p image quality
3) Wide temperature operation (-20 ~ 50° C)
4) Advanced audio: analog stereo-out + S/PDIF
5) Compatible with multiple 3rd-party software
6) Ethernet 10/100 BASE-T, wireless 802.11b/g/n

---

XDS-3288
Smart Workplace Series: 32" widescreen all-in-one interactive display
1) Quad-core CPU for high performance
2) 32" 1920 x 1080 LCD wide aspect ratio
3) 178/178 wide-view angle IPS touch screen
4) Ethernet Giga LAN, wireless 802.11b/g/n
5) Built-in stereo speakers 3 W x 2

XDS-2288
Smart Workplace Series: 22" touch-enabled all-in-one smart signboard
1) 21.5" 1920 x 1080 LCD wide aspect ratio
2) 10-point multi-touch
3) 178/178 wide-view angle IPS panel
4) Ethernet Giga LAN, wireless 802.11b/g/n
5) Built-in stereo speakers 2 W x 2
XDS-1588
Smart Workplace Series: 15" NFC / RFID all-in-one smart signboard
1) Quad-core CPU for high performance
2) 10-point multi-touch
3) PoE+ for one-cable easy installation
4) Ethernet Giga LAN, wireless 802.11b/g/n
5) Built-in stereo speakers 2 W x 2

XDS-1088
Smart Workplace Series: 10" HID optional all-in-one smart signboard
1) 10.1" 1280 x 800 wide 400-nit LCD
2) 10-point multi-touch
3) PoE for one-cable easy installation
4) Ethernet Giga LAN, wireless 802.11b/g/n
5) Built-in stereo speakers 2 W x 2
6) NFC embedded for easy system integration

XDS-1078
10" meeting room smart signboard
1) 10.1" 1280 x 800 LCD wide aspect ratio
2) 10-point multi-touch
3) PoE for one-cable easy installation
4) HDMI output to external display
5) Built-in stereo speakers 1 W x 2

MBR-1100
Palm size, light-weight, cable-free
1) Compact and plug-n'-play
2) Full HD @ 1080p image quality
3) Comes with self-recovery mechanism
4) Ethernet 10/100 BASE-T, wireless 802.11b/g/n
5) High-gain antenna enabling smooth video playback

PSP-102U/104/108 series
2/4/8-port True 4K HDMI splitter
1) HDMI 2.0a, HDCP 2.2 compatible, HDR 10, 3D
2) Video output up to 4K2K @ 60 (4:4:4 8 bits)
3) Supports Dolby Digital, Dolby TrueHD, DTS-HD
4) Smart source-to-display resolution adjustment
5) Convenient EDID switch setting
